PCB briefing for Bob K v4b.pptx;

Cindy,

Attached are the slides for briefing Bob K Friday afternoon. Following is a summary of the revisions to the last draft per comments from you, Frank, Doug, and others. In addition to some editorial changes and the addition of page numbers, following is a summary of the major revisions. I have a better understanding of the IRIS value after a discussion with Jeff, but he recommended talking with Linda Phillips, with whom I've already left a message. Bob
